

PM-USP Central Sector Scholarship Scheme (CSSS) – Project Reference Summary

This PDF is a concise project reference document prepared from information published by the Government of India, Ministry of Education, for use in testing CivicGuide's PDF ingestion pipeline.

About the Scheme

- The PM-USP Central Sector Scheme of Scholarship for College and University Students provides financial assistance to eligible meritorious students from economically weaker families while pursuing higher studies.

Eligibility for Fresh Applications

- Students should be above the 80th percentile of successful candidates in the relevant stream from the applicable Class XII Board examination.
- Students should be pursuing a regular course and not correspondence or distance education.
- Family income should be within the limit specified in the scheme guidelines.
- Students should not be receiving another scholarship or fee reimbursement of the type restricted by the scheme.
- Diploma students are not eligible under the scheme.
- Students who took a drop after Class XII are not eligible for fresh applications under the stated scheme conditions.

Application and Selection

- Applicants should follow the official scholarship application process and provide required information and documents.
- Eligible applicants are considered according to the scheme's selection and merit procedures.
- Students should always verify current rules, deadlines, and requirements on official government scholarship portals.

Important Note

- This document is a simplified reference for the CivicGuide project. For actual applications, users must consult the current official scheme guidelines and National Scholarship Portal information.
